

THE POWER OF ORANGE!

There are a myriad of household cleaning products to choose from. We purchase these products and base our decisions on price, brand, our time and convenience. But rarely do we consider the harmful chemical ingredients included in these products. Allergies, headaches, depression, Alzheimer's, cancers, chronic fatigue syndrome, etc have all been linked to the chemicals found in our every-day household cleaning products.

TRIPLE ORANGE™ products are pet and eco-friendly, have not been tested on animals, are biodegradable and formulated with non-toxic, naturally derived ingredients that are hypoallergenic and free from fragrances, dyes, animal products and chlorine.

TRIPLE ORANGE™ WONDER GEL
